## **Hearing Services Program Medical Certificate**

The Australian Government Hearing Services Program (the program) provides eligible people with access to hearing services. Services may include hearing assessments, information and support, hearing devices and fittings, and contributions to the maintenance and repair of hearing devices.

Before you can have a hearing assessment, you will need to:

- ask your Doctor to complete this form and confirm that you can be fitted with a hearing device, if you need one.
- apply for the program. You can do this online at [www.hearingservices.gov.au](http://www.hearingservices.gov.au) or your hearing services provider can assist you.
- take this form to your chosen hearing services provider.

If you require further information, you can visit [www.hearingservices.gov.au](http://www.hearingservices.gov.au), email [hearing@health.gov.au](mailto:hearing@health.gov.au) or call **1800 500 726**.
